Dividend Plan

Members become eligible for dividends beginning with original policy inception. In accordance with state regulations, dividends may be dispersed following 3 years of claim maturity, in 4 annual installments of 25%. Dividends are based on available group surplus and must be approved by the Group's Board of Trustees. All members are eligible for dividends, regardless of claims experience. Each member receives the same dividend percentage applied to the member's audited premium. Dividends are not guaranteed and percentages can change due to claims developments over time. See Member Agreement for additional details.
